Parking District Services

MISSION STATEMENT

The mission of Parking District Services is to:

- Support the role of public parking in commercial areas throughout the County. Parking management is growing in importance as a tool for achieving public objectives of economic development and transportation management;
- Support the comprehensive development of the Silver Spring, Bethesda, Wheaton, and Montgomery Hills central business districts and promote their economic growth and stability by supplying a sufficient number of parking spaces to accommodate that segment of the public demand which is neither provided for by developers nor served by alternative travel modes:
- Promote and complement a total transportation system through the careful balance of rates and parking supply to encourage the use of the most efficient and economical transportation modes available; and
- Develop and implement parking management strategies designed to maximize the usage of the available parking supply in order to enhance the economic development of specific central business districts.

BUDGET OVERVIEW

The total recommended FY05 Operating Budget for the Parking Districts Funds is \$19,729,620, an increase of \$769,960 or 4.1 percent from the FY04 Approved Budget of \$18,959,660. Personnel Costs comprise 14.0 percent of the budget for 47 full-time positions and two part-time positions for 41.4 workyears. Operating Expenses and Debt Service account for the remaining 86.0 percent of the FY05 budget.

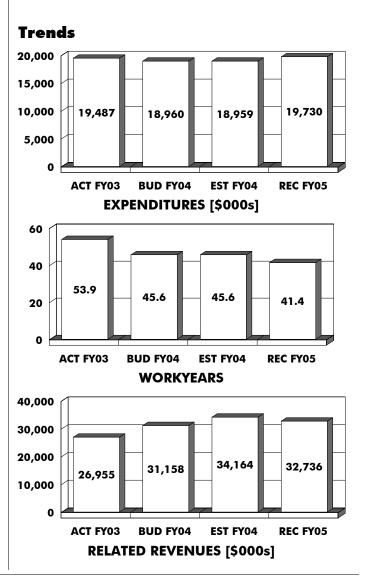

Not included in the above recommendation is a total of \$621,800 and 5.2 workyears that are charged to Mass Transit. The funding and workyears for this item are included in the receiving department's budget.

In addition, this department's Capital Improvements Program (CIP) requires Current Revenue funding. Please see Section 5 for information related to the CIP.

PROGRAM CONTACTS

Contact Debbie Yarrington of the Parking Districts Funds at 240.777.7602 or Brady Goldsmith of the Office of Management and Budget at 240.777.2793 for more information regarding this department's operating budget.

PROGRAM DESCRIPTIONS

Parking Operations

The program includes the management of the collection of all parking revenue from individual meters, electronic pay stations, cashiered facilities, sale of parking permits, parking fines, and the parking ad valorem tax. The program has overall responsibility for the accurate recordation of all parking revenue in the County accounting system.

The program is responsible for the management of all parking databases and the appeal process for all parking tickets written within the County. Parking Operations maintains regularly scheduled parking enforcement patrols in all Parking Districts, residential permit areas and certain parking areas in County facilities. The program also provides for the collection and analysis of information necessary for evaluating and resolving parking issues in designated areas, maintaining inventories of public and private parking spaces, and statistics for projecting County parking needs and responding to inquiries.

The program supports a balanced system of public parking which promotes the economic stability and growth of the County's central business districts. This is implemented through the design and construction of new parking facilities, including mixed use projects. The program also includes renovating and improving existing parking facilities to ensure the preservation and integrity of the parking system and its continued service to the public.

Parking Facility Maintenance

This program provides the maintenance of all parking lots, garages, and surrounding grounds. Facilities maintenance is programmed at a level which is designed to ensure the operational integrity of the facilities and the security of parking patrons. Maintenance of parking facilities includes: snow and ice removal; housekeeping services; equipment maintenance for elevators, electrical systems, and Heating, Ventilation, and Air-Conditioning systems (HVAC); facility repairs for maintenance of damaged glass, asphalt, concrete, plumbing, painting, paint stripes, graffiti, doorframes, brick and block, meter posts, and woodwork due to vandalism, use, and age; and groundskeeping services.

FY05 Recommended Changes

	Expenditures	WYs
FY04 Approved	2,758,550	14.7
Enhance: Maintenance - painting	100,000	0.0
Add: Public Service Craftsworker	41,750	0.8
Increase Cost: Painting supplies	40,000	0.0
Increase Cost: Maintenance - elevator	16,650	0.0
Decrease Cost: Hazardous waste handling	-41,990	0.0
Miscellaneous adjustments, including negotiated compensation changes, employe benefit changes, and changes due to staff turnover	e 43,180	0.0
FY05 CE Recommended	2,958,140	15.5

Parking Facility Security and Safety

This program provides security services for parking facility patrons to protect against theft, vandalism, and threats to personal security. The goal of the program is a safe environment in parking facilities through the use of County law enforcement agencies, contract security guards, and the Service Corps (in Silver Spring and Wheaton only).

FY05 Recommended Changes

E	xpenditures	WYs
FY04 Approved	1,352,130	6.3
Increase Cost: Security services	94,500	0.0
Increase Cost: Living wage for security contrac	t 50,000	0.0
Shift: Service coordinator	25,200	0.0
Miscellaneous adjustments, including negotiated compensation changes, employee benefit changes, and changes due to staff		
turnover	52,240	0.0
FY05 CE Recommended	1,574,070	6.3

Fixed Costs

This program contains cost items that involve long-term funding commitments, independent of the annual scope of program costs. Fixed costs included in this category are utility payments, insurance, and the long-term operating lease for the Garage 58 facility in the Silver Spring Parking District. The budgeted amount is based on anticipated rates and the proposed size and scope of the related unit or program.

FY05 Recommended Changes

	Expenditures	WYs
FY04 Approved	2,809,190	0.0
Increase Cost: Rental/leases	37,770	0.0
Decrease Cost: Utilities	-50,130	0.0
Miscellaneous adjustments, including negotiated compensation changes, employe benefit changes, and changes due to staff	e	
turnover	23,560	0.0
FY05 CE Recommended	2,820,390	0.0

Debt Service

This program provides the annual payment of principal and interest on bonded indebtedness for construction of parking facilities. Issuing long-term debt spreads the cost of a facility over a long period of time, usually 20 years, and enables the users, taxpayers, or ratepayers that benefit from the facility to pay for it over its useful life. Debt service is generally fixed for past bond issues, but future debt service is affected by current program decisions, interest rates, and the amount of bonds to be issued. The Bethesda and Silver Spring Parking Districts are the only districts with debt obligations.

Assumptions:

- 1.Bond coverage (annual net revenues over debt service requirements) is maintained at about 257 percent in FY05. The minimum requirement is 125 percent.
- 2.Property tax revenue is assumed to increase over the six years based on an improved assessable base.
- 3.Investment income is estimated to increase over the six years based upon projected cash balance.
- 4. Revenues for the air rights lease for Garage 49 are assumed in FY05 through FY10.
- 5. Revenue bond issue of \$9 million in FY04.
- 6.The Labor contract with the Municipal and County Government Employees Organization expires at the end of FY07.
- 7. These projections are based on the Executive's Recommended Budget and include the revenue and resource assumptions of that budget. FY06-10 expenditures are based on the "major, known commitments" of elected officials and include negotiated labor agreements, the operating costs of capital facilities, the fiscal impact of approved legislation or regualtions, and other programmatic commitments. They do not include inflation or unapproved service improvements. The projected future expenditures, revenues, and fund balance may vary based on changes to fee or tax rates, usage, inflation, future labor agreements, and other factors not assumed here.
- 8. For more information regarding the CIP and related projects, refer to the FY05-10 Recommended CIP, Transportation Section.

Assumptions:

- 1. Property tax revenue is assumed to increase over the six years based on an improved assessable base.
- 2.Investment income is estimated to increase over the six years based upon projected cash balance.
- 3.The Labor contract with the Municipal and County Government Employees Organization expires at the end of FY07.
- 4. These projections are based on the Executive's Recommended Budget and include the revenue and resource assumptions of that budget. FY06-10 expenditures are based on the "major, known commitments" of elected officials and include negotiated labor agreements, the operating costs of capital facilities, the fiscal impact of approved legislation or regualtions, and other programmatic commitments. They do not include inflation or unapproved service improvements. The projected future expenditures, revenues, and fund balance may vary based on changes to fee or tax rates, usage, inflation, future labor agreements, and other factors not assumed here.
- 5. For more information regarding the CIP and related projects, refer to the FY05-10 Recommended CIP, Transportation Section.

PUBLIC WORKS AND TRANSPORTATION

Operations

PROGRAM:

Parking Facility Maintenance

PROGRAM ELEMENT:

Parking Garage Elevator Maintenance

PROGRAM MISSION:

To maintain elevators in County-owned parking garages in the Bethesda, Silver Spring, and Wheaton Parking Lot Districts to maximize the amount of time elevators are in service for customers

COMMUNITY OUTCOMES SUPPORTED:

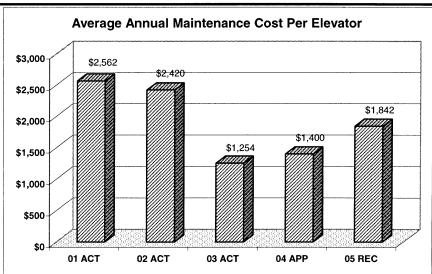

- Responsive government
- · Safe and convenient use of parking facilities

PROGRAM MEASURES	FY01 ACTUAL	FY02 ACTUAL	FY03 ACTUAL	FY04 BUDGET	FY05 CE REC
Outcomes/Results:					
Average percentage of time elevators are in-service	94.1	96.4	95.0	95	97
Service Quality:					
Efficiency:					
Average maintenance cost per elevator per year (\$)	2,562	2,420	1,254	1,400	1,842
Workload/Outputs:					
Number of parking garage elevators	32	39	43	47	50
Number of parking garage elevator service calls	345	346	383	363	345
Inputs:					
Expenditures - maintenance contracts (\$000) ^a	82	^b 70	53.9	65.8	^c 92.1
CIP expenditures - elevator modernization projects (\$000) ^a	1,282	484	38	38	1,896
Notes:					

Notes

EXPLANATION:

Starting in FY99, in-service and out-of-service time has been tracked for all parking district garage elevators. Tracking of the number of elevator malfunctions requiring service calls to the elevator maintenance contractor began in FY01. A major CIP-funded modernization of older, highmaintenance elevators in parking garages was implemented in FY01 and FY02, which has helped to improve the average percentage of time inservice. Four elevators were deleted in November of 2002 with the demolition of Garage 1A. Four elevators were added in FY03 at Garage 36. Four new elevators were added in FY04 with the completion of Garage 42. Nine new elevators will be added in FY05 with the completion of Garages No. 60 and 61. One elevator will be removed in FY05 with the demolition of Garage No. 1.

PROGRAM PARTNERS IN SUPPORT OF OUTCOMES: County elevator maintenance contractor, Regional Services Centers.

MAJOR RELATED PLANS AND GUIDELINES: Capital Improvements Program.

^aContractual services only; excludes a small amount of County staff time necessary to monitor the contracts.

^bThe FY02 actual maintenance expenditures came in less than budgeted because of lower rates (due to a new contractor) and the exclusion of the elevators at Garages No. 5, 21, 49, and 55 (due to their warranty under the modernization).

^cFY05 expenditures include the elevators at Garages No. 5, 21, 49, and 55 coming out of warranty under the modernization. Also included are estimated expenditures for additional repairs needed to the elevators at Garages No. 42, 60, and 61 that are not the responsibility of the contractor under the new elevator warranty (which excludes maintenance needed because of vandalism or abuse of the elevators).
